

THE CO-OPERATOR

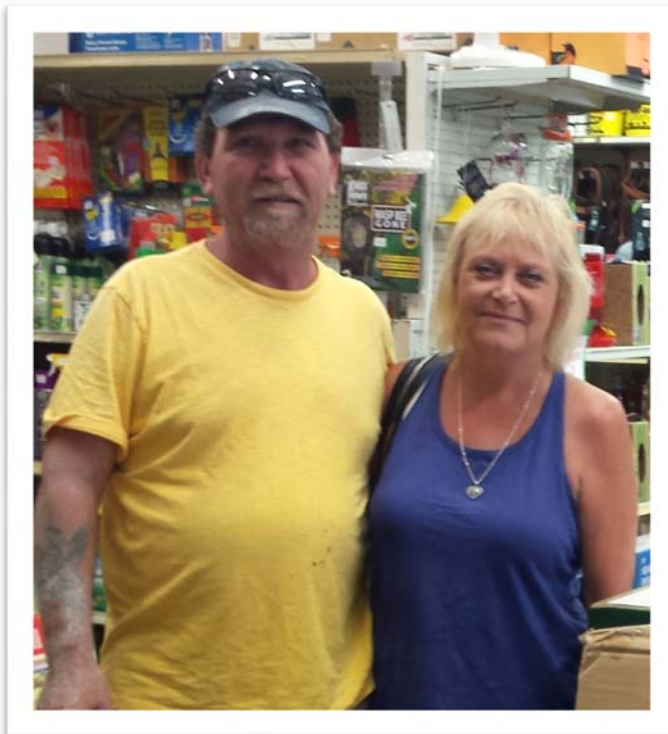

Durham Farmers' County Co-Op

October 2016

WE CELEBRATED FALL AND OUR MEMBERS

September gave us at the Co-Op lots of opportunities to celebrate. The Fall Fair season welcomed this time of harvest, and our Member and Customer Appreciation Days allowed us to give thanks to you for your support of the Co-Op. See inside for a snippet of what we saw in September, and remember to share what YOU saw on our Facebook pages.

WHAT HAPPENED DURING THE ORONO FAIR

We were thrilled to see so many enthusiastic members. Here's a glimpse of what we experienced:

1. 1st place ribbon from Fair Ambassador
2. Market lamb show
3. Pensive volunteer
4. Big baking auction winner
5. Parading the lamb
6. Lamb show judge
7. Altonlea Premier Breeder/exhibitor
8. Friday nite heifer class

HAPPY THANKSGIVING

The whole team at the Durham Farmers' County Co-Op wishes you a truly happy Thanksgiving. The Co-Op is closed on October 10th for us to spend time giving thanks with family and friends.

And, this Thanksgiving and always, we thank you for your support of the Co-Op.

DOES THIS OPPORTUNITY APPLY TO YOU?

The Species at Risk Partnerships on Agricultural Lands (SARPAL) is an Environment and Climate Change Canada program “focused on working with farmers to support the recovery of species at risk on agricultural land”. To find out what that means and if you are eligible to receive funding, please [click here to see the SARPAL brochure](#) that has all the information you need.

We are working to keep you, our Co-Op members, in the information loop for programs like this, helping to find available funds and save you money, too.
